

SMP POLYETHYLENE ISOLATION GOWNS (LLDPE)

Superior Liquid Barrier Performance
AAMI Level 1, 2 and 3 Disposable Gown

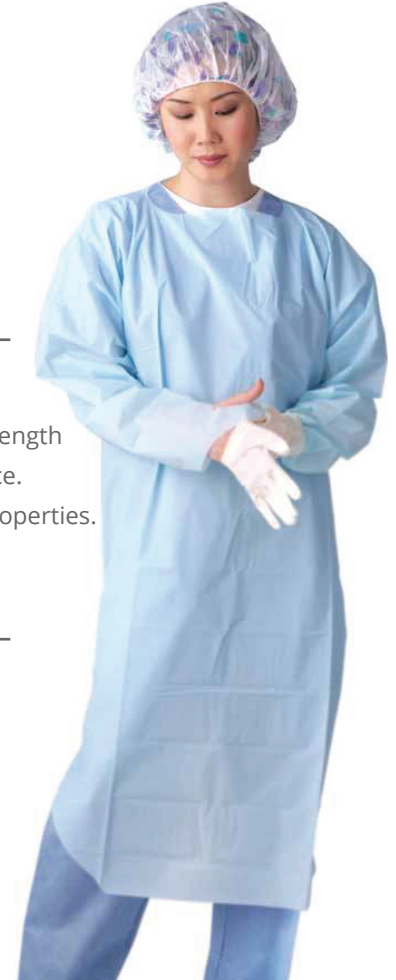

Material

- Linear Low Density Polyethylene (LLDPE).
- Special Formulation features Higher Tensile Strength with substantial Impact and Puncture Resistance.
- More comfortable due to the unique Stretch Properties.

Product Features

- Over-the-Head design.
- Open back style for breathability and comfort.
- A Perforated Tear-Away at the back of the neck facilitates doffing.
- Sleeves are Electronically Heat Sealed and have
- Passed AAMI Levels 1, 2 and 3.
- Thumb Loop Cuffs minimize sleeve ride-up when donning gloves.
- Waist Ties allow for custom adjustments.
